

DR. HARSHBIR SANGHA

CV

Harshbir joined the UK Space Agency in December 2018 to lead the Copernicus (EU Earth Observation) Programme. Through the UK-EU Trade Negotiations, Harshbir negotiated an agreement in principle for the UK to continue its participation in the programme.

As Director of Growth, Harshbir and his team are responsible for the UK Space Agency's work to deliver the innovation and business environment which will grow and sustain the national capabilities required to meet the UK's space ambitions. This includes enabling the development of regional / local space clusters along with UK's capabilities in satellite Earth observation, space technology, telecommunications and space applications working through ESA, nationally and internationally.
